VENDOR RULES & REGULATIONS

The Avoyelles Arts Council would like to extend our thanks to you for considering participating in the 12th Annual Avoyelles Arts & Music Fest! Our intent is to bring the community together for a celebration of music, art, culture, and food.

Date, Time and Location

The festival will take place on the property of Paragon Casino Resort in Marksville, LA
On July 4th from 10 AM to 8 PM. The festival will have indoor and outdoor locations but will all be centrally located for a cohesive feel.

Space Rentals (Please Provide Your Own Tables, Tents and Extension Cords)

Registration /Setup Times

On the day of the event, registration will begin at 6:00 AM at the Box Office in the Grand Hall. Set-up may begin after you have registered and must be completed by 9:00AM on July 4. **NO VENDOR WILL BE ALLOWED TO SETUP AFTER 9:00AM THE DAY OF THE FESTIVAL!** At registration, you will be given a number, which is assigned to a numbered rental space. (Vendor space locations will be assigned by the event coordinators prior to the event. The location assignments are unbiased and are strictly determined by the following factors: (1) the first applications submitted are the first assigned; (2) whether or not the vendor requires a smaller or larger space; (3) whether or not the vendor requires electricity.) You will be able to set up tents the evening before on July 3rd (times to be announced) but we will not have security to oversee product safety.

Time Commitment

All vendors **MUST BE** committed to staying until the festival is complete. Vehicles will not be allowed onto or out of the festival grounds during the festival.

Deadlines

Applications will be accepted until the deadline on May 31st or until all of the space rentals are filled. A \$35 late fee will be applied after this date.

Electricity

Please submit your request for electricity on your application. There is limited availability for electricity and vendors who have submitted their applications first are allowed first choice for being provided electricity. Other vendors who are not prearranged for electricity, but will require electricity are allowed to bring a generator. Applicants will be notified well in advance to the event, whether or not their request for electricity is approved.

Other Info

- Only items approved by the event coordinators may be sold at the festival.
- Food vendors cannot sell alcoholic beverages.
- Some vendors may have the same products to offer festival goers. We will do our best to separate vendors who may have the same products and we try to limit product offerings.
- All areas must be kept cleaned, organized and sanitary at all times. Food Vendors must provide and maintain their receptacles.
- You are required to have all necessary licenses
- NO REFUNDS GIVEN

Again, thanks for your participation in the 11th Annual Music and Arts Fest. If you have any further questions please call 443-336-4046, Melissa Goudeau.
